Xander Jenkin

Born as William Alexander Jenkin V
18, 12th grade at Citrus High School, Born on January 14, 2003

I plan to pursue either physics or computer science. I have been actively coding since middle school and have experience in tech support, computer building, and app development; however, as I have found passion for calculus, I am interested in the theoretical areas of STEM as well. Despite never taking a formal physics course, I am doing independent studies for both AP Physics C courses since my school does not offer either of those courses, and I aim to earn 5's on both AP exams to adequately prepare me to take more physics courses in college.

Work Experience

Winn-Dixie, Bagger/Cashier OCTOBER 2019 - PRESENT

A valued staff member of Winn-Dixie at 333 Highland Boulevard Space #600, Inverness, FL. I work as a cashier/bagger at a grocery store to pay for my insurance/car bills and to help my single mom during the summer, as she teaches and gets no primary income during these two months.

Volunteer Work

Common Ground, Montgomery, AL SUMMER 2018

This past summer, I did volunteer work up in Montgomery with the organization Common Ground, and I spent the summer restoring destroyed homes, building construction, running children's summer camps, and running free local events helping to manage food and activities for the community.

Find-M'-Friends, Crystal River, FL FEBRUARY 2019 - MARCH 2020

I did volunteer work for Find-M'-Friends, a Bloodhound training organization that trains search dogs used to help find missing people in Citrus County. We train Bloodhound puppies weekly with search exercises, and socialize them frequently too; they work closely with our Sheriff's department. You can contact them on their Facebook Page.
